

Certificate No. CT:Z53P-TZEG

Application Number: 0530-14

CERTIFICATE TO FOREIGN GOVERNMENT

In order to allow the importation of United States products into foreign countries, the U.S. Food and Drug Administration (FDA) certifies the following information concerning the product(s) to be exported listed below:

Lattice Biologics, Inc. (formerly International Biologics, LLC), located at 16701 N 90th St Suite 101, Scottsdale, AZ 85260, USA, manufactured the following Human Cells, Tissues, and Cellular and Tissue-Based Products (HCT/Ps):

Product Name

Human Tissue Intended for Transplantation (HCT/P)
Bone, Tendon, Meniscus, Ligament, Soft Tissue, Cartilage

Country Destination: KOREA, REPUBLIC OF

The product(s) described above and the plant(s) where it is produced are subject to the jurisdiction of the FDA under the Public Health Service Act and regulations promulgated thereunder. The company listed above has certified to the FDA that the HCT/P meets the requirements of FDA regulation, Title 21, Code of Federal Regulations Part 1271, Human Cells, Tissues, and Cellular and Tissue-Based Products.

It is certified that the above listed HCT/P may be marketed in, and legally exported from, the United States of America at this time. The company listed above is subjected to periodic inspections. The last inspection showed that the plant(s) at that time, appeared to be in compliance with the requirements of FDA regulation, Title 21, Code of Federal Regulations Part 1271.
